5. Sweet Brown Liquor 2:52
6. Moon Goin' Down 3:44
7. Red Mustang 3:18
8. Dry County Blues 2:46
9. I'm Bad, I'm Nationwide 2:57
10. Thunderbirds 3:40

After four albums and three EPs infused with blues, Doug Schmude finally delivers the record he's always wanted to make—a collection of electric and acoustic blues featuring seven originals, three classic covers, and plenty of slide guitar.

Born in Louisiana and raised in Oklahoma and Texas, Doug grew up surrounded by the sounds of the South before spending years honing his craft in Colorado, Nashville, and Southern California. A guitarist known for expressive slide work and gritty, roots-driven songwriting, he plays nearly every instrument on the record. The result is an album that honors his blues heroes while sounding unmistakably like Doug Schmude.
